Murder in the Siskiyous: The Chico State Co-Ed Cold Case

By Michael Harte

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.A college coed has been missing all winter and her remains have been discovered in the Siskiyous Mountains of Northern California. The case has gone cold and Mickey Dunn, new to private investigation after his success in Rendezvous With A Habit, in which he nearly single-handedly breaks up the largest crystal meth ring in Central California, takes the case. The victim had a history of promiscuity, especially with older men, for whom she had voracious appetite for receiving oral sex. There are plenty of suspects with motive and opportunity, and in true-whodonit fashion, the reader doesn t discover the killer until the clever twist ending. In solving the murder, Mick has to fight the obstacles of the local Indian tribe, small town provinciality, the drug community, church hypocrisy, and his own demons. As in Rendezvous With A Habit, the reader should be prepared for a lot of sex as the intimate background of the victim and the continuing graphic relationship of Mick and his girlfriend, Marlene, are tastefully yet graphically illustrated.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
