Workman Publishing, United States, 2010. Spiral bound. Book Condition: New. 206 x 150 mm. Language: English . Brand New Book. He s back. Anders Henriksson, author of The New York Times bestseller Non Campus Mentis (retitled Ignorance Is Blitz), returns with even funnier, nuttier, more outrageous material culled from the actual exam books of real college students. And it s a hoot that covers all subjects of the core curriculum, including: American History The Underground Railroad was built as the nation s first public transit system. Art Cubism is art from Cuba. Religion Moses led his Islams out of Egypt. Bananas from heaven arrived to feed the hungry people. These events are described in the Book of Zeus. Philosophy Plato did his thinking in the Cave of Al Gore. Economics The theory of surplus value is Marx s idea that you always shop with coupons. Music Bach s sacred choral music includes the B Minor Mess. . . . All one million of his famed works can be found in his BMW. He had over one hundred children and was, of course, very famous for his work with his organ. Two of his successful sons were Jesus Christ Bach...
