By George Lewis Avery

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Once upon a time there lived a TROLL; not a horrid dwarf that lived under a bridge causing grief to honest Billy goats; not a reclusive gnome that hoarded riches deep within the midriff of a hill; not a frightful ogre of a troll that would steal small children from their cribs and replace them with cubs of its own; and not a fierce giant that would change into stone if dragged out into the sunlight; but a more humanlike TROLL: a fellow not so different from you or your neighbor say, if it was not for this one other thing what set him apart from everyone else; and caused him much hardship, so that he became a melancholy TROLL; and was not an ordinary troll at all, but a most extraordinary TROLL; and an unlikely poet.

Extensive information for book fans. It is writter in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
