University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, Notes for My Body Double, Paul Guest, Who would guess that Godzilla, the Invisible Man, Elvis, Donald Duck, Ted Williams, and the Three Stooges might have something to say about the love and loss that shape the way we see the world? And yet these are the pop-culture coordinates that chart the emotional life brilliantly mapped out in Paul Guest's second book of poems. Winner of the Prairie Schooner Prize in Poetry, this collection plumbs the depths of nature and culture (how, for instance, "gar" in Old English means "spear," and an octopus can lose a limb during mating) to give form to the darkness and the light that make us human. In poetry whose tone is largely one of lament tempered by a wry and intelligent humor, Paul Guest does what a poet does best: he gives us the moments of his life refashioned to reflect the larger arc and meaning of our own - of life, that is, writ large.
