A Griqua, descended from an all too intimate follower of the legendary Griqua chief, Adam Kok. His ancient forebear handed down the line his own taste for other men s wives, including the chief s, and the chief s modern namesake followed dedicatedly in his forebear s footsteps. Having participated in the armed struggle against the apartheid regime, Adam Kok came to live in Zimbabwe, where he married the beautiful and upright, Rudo. Although he died a few years back, Adam used his job as a popular human interest journalist for a Harare newspaper to good effect. The narrator sets up a dialogue between his friend, Adam, and the reader in order to explore these issues. The result is a dialectic between Adam s own scandalous thoughts and deeds, the idea s of his wife, Rudo, who is a devout Catholic, the reader and the narrator himself, who is a socialist. In the process a fascinating cross-section of Zimbabwean as well as global social...
