Dimensions: 8.7in. x 5.8in. x 0.3in.Asian women are among mens most favorite, due to their caring behavior, dedication to family values and, obviously, for being among the most beautiful women in the world. This book resumes years of interviews to women in Asia, regarding their expectations, needs and common behaviors before and during a relationship, but also interviews with men that married them. Its probably the most updated and accurate of modern manuals on the topic of dating in Asia, nevertheless, very much easily adapted to most Asian women around the world. Surely, as most Asian countries keep changing their habits and patters within the social paradigms, they also maintain very solid unchangeable characteristics, many of them which can be seen in the Asian women that decide to make a living in western countries. It has been compared, for the purpose of this book, both the younger and older generations of women, but also the ones that have no contact with foreigners in their country, those that do but never went abroad, and finally those that have actually been abroad, the ones that had or didnt had relationships with foreigners, and how they all think and feel about their own experiences. In this short manual its possible to find a resume to hundreds of pages of collected information and face-to-face interviews. The principles here presented have been exposed and thought to both Western and Chinese men, as the author always makes sure his knowledge can be 100 accurate before combined and published into a book. This knowledge worked in every case in which it was applied. But, more than providing men around the world with a more clear, precise and effective, as well...
