From wanting to push her boyfriend out of a plane over the Andes in Colombia to finding a giant dildo in a toilet tank that followed her friends through Mexico, to dancing wearing only a diamond necklace, this collection of stories by Lisa Alpine will inspire readers to follow the call of a wild life and leave home with their doors unlocked. Exotic Life is a sprawling anthology of 19 travel tales. Alpine is an inspiration to women travelers everywhere. She fearlessly wanders through one obscure destination after the other, leaving her complete trust in the experience. She answers that timeless question - Can solo women travelers really go there - by doing just that and carrying away some wildly unique stories. - Rolf Potts Vagabonding Curiosity, courage and fierce determination to remain true to her own search for truth, shines brightly and are at the core of each of Lisa Alpines stories. To quote Kurt Vonnegut Strange travel suggestions are dancing lessons from God - this could be Lisas motto as she dances wherever the spirit leads her-Maureen Wheeler, founder of Lonely Planet Publications Lisas travels are more than exotic. They are wonderful reading. I have to say this book stayed with me for a long time, and I loved the last three lines about Guadeloupe. -20thAnnual Writers Digest Annual Self-Published Book Awards review This item ships from multiple locations.
