Excerpt: .BOSTON CHICAGO LOS ANOELES PITTSBURGH SALT LAKE CITY ST. LOUIS TORONTO We design and manufacture conveying machinery for rock crushing plants, gravel washing plants, storage systems, etc. Also transmission and screening equipment, elevators, gates, feeders, car pullers. You can have from us, if desired, a firm bid for the Lawson Automatic Tramway. DELIVERED AND ERECTED T T it the invariable practice of other builders to make a price delivered F. 0. B. cars. The cost of erection is always at the owner s risk, 1 under per diem supervision furnished by the builders and based only on an estimate. While this is just and equitable, the average buyer nevertheless generally prefers to know absolutely what his tramway will cost him complete and ready to run. Now he can know. Why do we have this advantage? The Ambursen Company is not a manufacturer of wire rope, but is organized as Engineer-Constructors. For ten years we have handled heavy construction amounting to many millions of dollars, in busy times having as high as 3,000 men in the field. The officers of the Company, in various capacities, have had a construction experience of from twenty to thirty years. We are therefore familiar with every detail of construction economy and are organized and equipped to carry out work of this character on a contract basis. There is not sufficient space in this advertisement to set forth the character of the information which must be furnished by the purchaser....
